Student Acknowledgement (Do not complete until the box above has been completed):

The high needs content area and state in which I plan on teaching upon degree completion listed on this form accurately represents my plans at the time of graduation. I have read the comments provided by the College of Education representative in the box above and agree to the terms specified to satisfy the TEACH Grant requirements. I am aware that if I do not satisfy the TEACH Grant requirements, the grant will be permanently converted into an unsubsidized loan with interest that I will have to repay.

My signature below represents my agreement to this statement.
